XYZ Bursary Program

Title: XYZ Bursary Program

Introduction: The XYZ Bursary Program is designed to provide financial support to students pursuing a degree in Computer Science. This bursary aims to help students cover their tuition fees, textbook costs, and living expenses, ensuring they can focus on their studies and achieve their academic goals.

Eligibility Criteria:

1. Must be enrolled in a full-time Computer Science degree program.

2. Demonstrate financial need.

3. Maintain a minimum GPA of 3.0.

4. Participate in community service or extracurricular activities.

Benefits:

- Full coverage of tuition fees.

- A stipend for textbooks.

- A monthly living allowance.

Application Process:

1. Complete the online application form.

2. Submit a copy of your latest academic transcript.

3. Provide a personal statement outlining your career goals and how this bursary will help you achieve them.

4. Include two letters of recommendation from academic or community leaders.

Deadline: August 31, 2024
